As a long established local company we are keen to continually improve our service by learning from our customers.

We would appreciate it if you would help us by describing your overall impression of our service from your recent experience with us.

ashford kitchens Farnham Common could undertake all the work we required. This included the ceiling replastered, update fuse box and new flooring. From start to finish the fitters were all punctual and left everything tidy at the end of the day. From our first enquiry to last all staff kept us informed and updated. The quality of products are outstanding. Even any changes we wanted presented no problem whatsoever. Thankyou to you all.
