Dear Steve and to all the team,
Thank you Steve for the
wonderful design and plan of our
superb new kitchen!

We so appreciate all the time and
care we have received from you all.
From Grace and the lovely Irish lady
(sorry I forget your name) who helped with all
the colour decisions for furniture, tiles etc,
they are perfect! Thank you.

The amazing fitters 'the two Steves',
were so brilliant and very kind and
considerate for our well being and our
two dogs - who were trying to go into
their kitchen on many occasions!
To Nick who co-ordinated everything to arrive
here on time, and it did! The Plasterer's
were so good and Darren the Super fitter!
Thank you all, we are so delighted with
our new kitchen and utility room, it is a joy!
With our love and gratitude to you all
Sue & Alistair (Gray)
