

27<sup>th</sup> January 2017.

Dear Stephen, Nick, Izzy and all at Ashford,

It's been some time since we  
last came in and quite some months since  
our kitchen was installed but we wanted  
to write and thank you for all your  
help and patience when we were choosing  
our kitchen. From entertaining our girls  
during an extra long planning session  
right through to final installation  
you have gone the extra mile to  
make sure everything was just how  
we wanted and we are very grateful.  
We are absolutely delighted with  
our kitchen, I enclose a couple of  
pictures to show it now in full use.
