As a long established local company we are keen to continually improve our service by learning from our customers.

We would appreciate it if you would help us by describing your overall impression of our service from your recent experience with us.

The service was extremely good from start to finish - My requirements were understood from the start. Waiting time for the order and fitter dates were clear with no delays. Fitter worked very well and did not rush the job; also cleared up very well when job was finished.
