

Dear Ms Graham

Order Ref: 3226

Date: 14/2/24

As a long-established local company, we are keen to continually improve our service by learning from our customers.

We would appreciate it if you would help us by describing your overall impression of our service from your recent experience with us.

I'm thrilled with my new kitchen! The design by Phil was excellent ^{and} met all my requirements, yet was realistic within the parameters of what was possible in the limited space available in my small flat. I loved all his suggestions and I think agreed to most of them. The installation was completed to a very high standard by Lee & Ally who were professional, tidy and hardworking. They were polite & considerate to my neighbors. The whole project ran smoothly and I was impressed by the quality of service provided by everyone at Ashford Kitchens at each stage. I would readily recommend the company to anyone considering a new kitchen. You have a beautiful showroom, though part of it was being refurbished during my initial few visits. The paperwork and quotation were very clear and the staff clearly explained the stages of the project so I was clear on what to expect at each stage.

I was delighted with how smoothly the work went and with the speed of the installation and quality of the workmanship. Thank you so much!
