

We're Officially Award-Winning (Again!)

We're thrilled to share some fantastic news! At the 2025 Spelthorne Business Awards, we walked away with not one, but two incredible awards:

Retail Excellence Award

Best Business in Ashford & Stanwell

This makes it our fourth major award win this year and we couldn't be prouder.

A night to remember

The awards evening was a fantastic celebration of local businesses. We enjoyed a wonderful dinner, great company, and plenty of dancing after the ceremony! It was inspiring to be surrounded by so many passionate people who care about making a difference in our community.

Our Managing Director, Stephen Flower, shared: "Winning two awards in one night is a fantastic achievement and a proud moment for our entire team. It's a reflection of the passion, dedication, and creativity that drives everything we do."

To be recognised not just once, but four times this year across different platforms at local and national level is a huge motivation for every member of the team."

Why these awards matter

The Spelthorne Business Awards celebrate the very best businesses in the borough. Winning the Retail Excellence Award recognises our commitment to quality and delivering an outstanding customer experience.

It's about more than designing beautiful kitchens and interiors. It's about supporting local initiatives and building lasting connections with our customers and community partners.

For us, these awards aren't just trophies, they're proof that the passion and care we put into all we do really makes a difference.
