

Celebrating an incredible year – Thank you for being part of our journey

As the year draws to a close, we wanted to take a moment to reflect on what has been an extraordinary year.

We celebrated 41 years since Ashford Kitchens & Interiors was founded, and as a proud second-generation family business, we're delighted with what we have accomplished.

About us

We're Stephen and Grace Flower, husband and wife and proud Owners and Managing Directors of Ashford Kitchens & Interiors.

Our passion has always been home improvements whilst delivering exceptional service, from the first conversation to the final installation. We believe every customer deserves a stress-free, enjoyable experience and a home they truly love.

As parents to three young children and lifelong members of the community, we understand the importance of family, functionality and style.

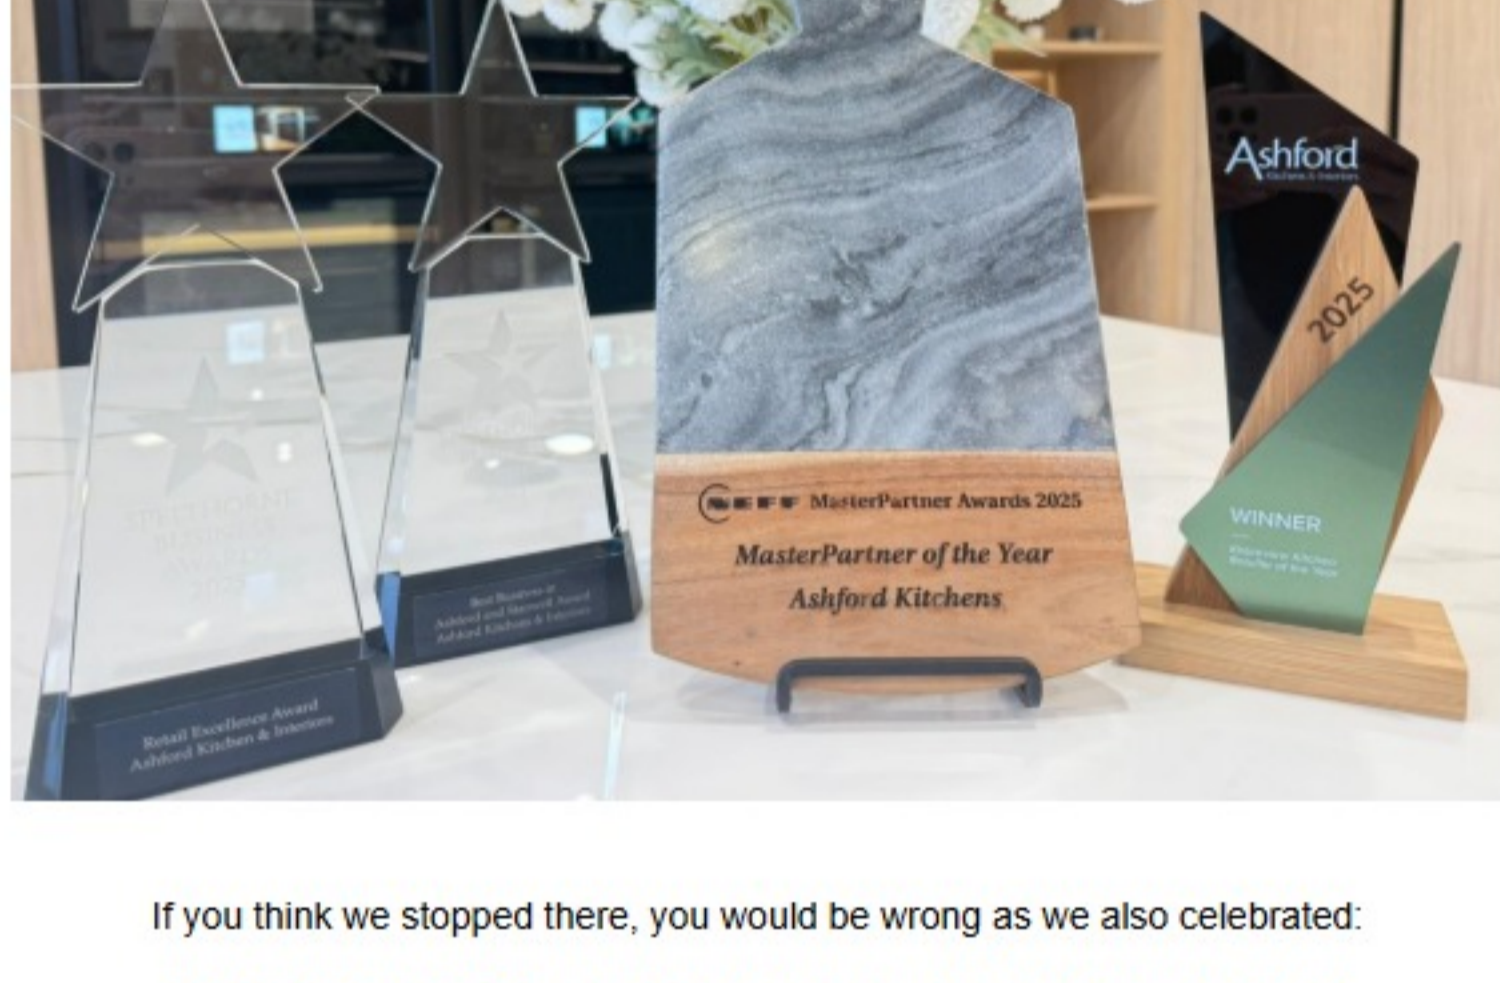

That's why we combine innovative design with traditional values, ensuring every project is handled with care, creativity and attention to detail.

Highlights of 2025

We are the proud winners of four prestigious awards:

- **National Recognition:** Crowned *Kitchen Retailer of the Year 2025*, the industry's most coveted award at National level.
- **Neff MasterPartner of the Year:** Honoured by one of the largest brands in the industry.
- **Local Excellence:** Multiple awards at the Spelthorne Business Awards, including **Best Business in Ashford & Stanwell** as well as the **Retail Excellence Award**.

For us, these awards aren't just trophies, they're proof that the passion and care we put into all we do really makes a difference.

If you think we stopped there, you would be wrong as we also celebrated:

- **250 plus Projects Completed** – bringing hundreds of dream kitchens, bedrooms and living spaces to life for local families.
- **6 New Inspiring Displays** – now in progress, ready to showcase the latest trends for 2026.
