

Seamless living: Beautifully fitted bedrooms & wardrobes

This beautifully coordinated project showcases our bespoke fitted furniture across a series of bedrooms.

Each thoughtfully designed to feel calm, refined and perfectly tailored to family living.

A boutique-style walk-in wardrobe

The master bedroom features a luxurious dressing space with full-height, made-to-measure cabinetry and a central island with integrated seating.

This soft, neutral palette creates a serene, boutique-hotel feel.

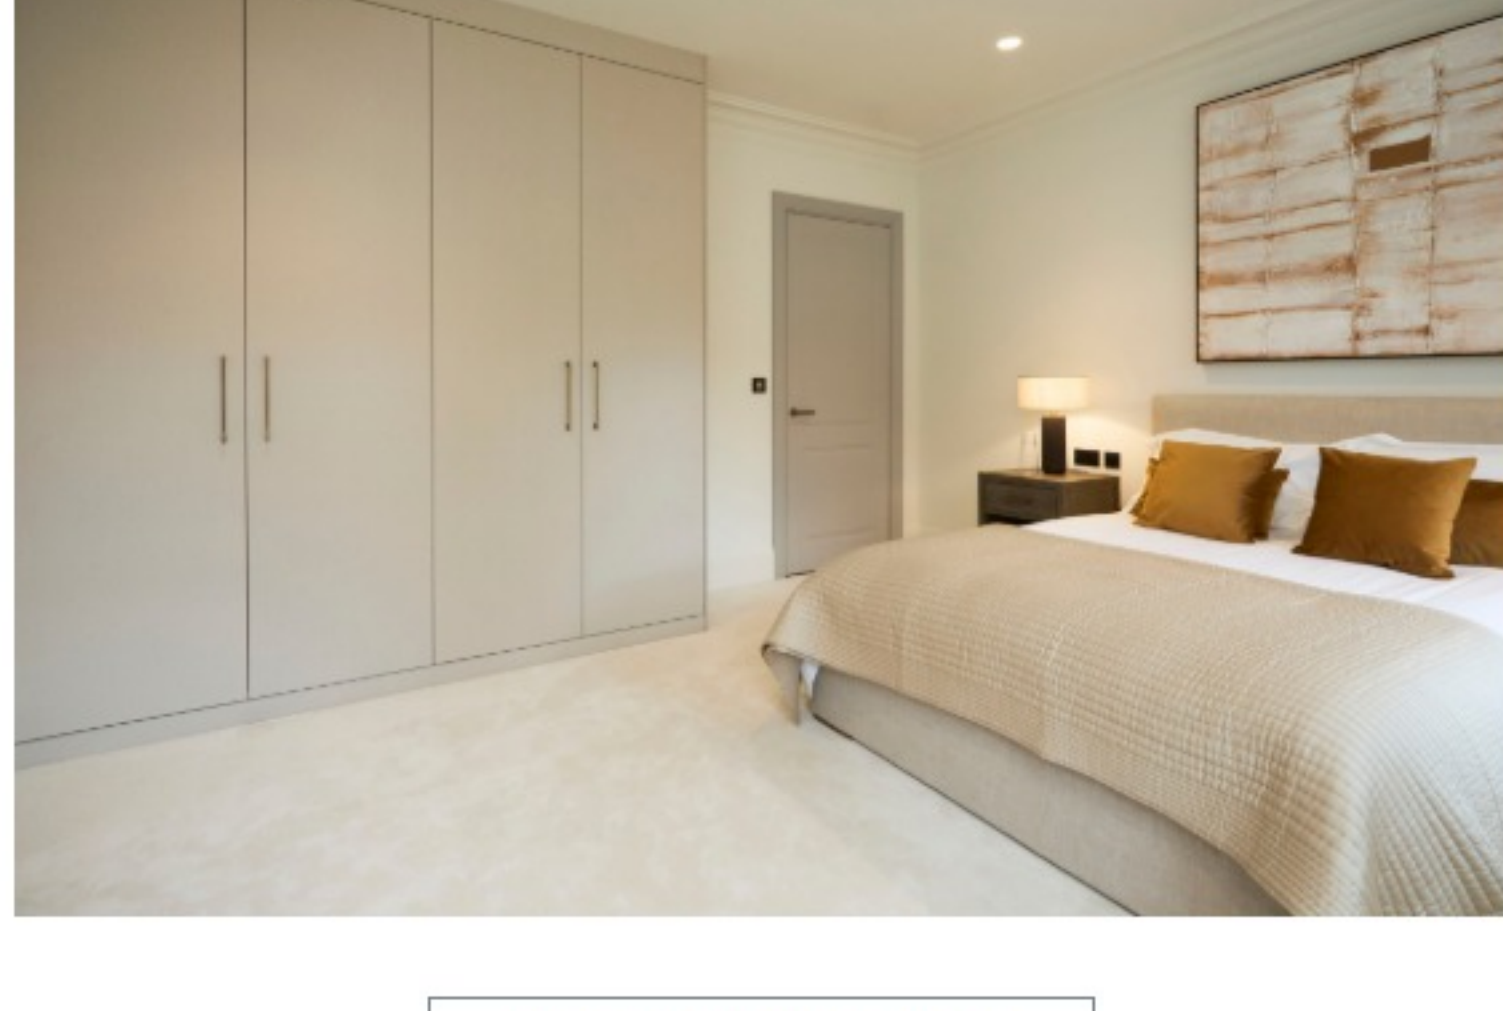

Every element has been carefully considered to maximise storage while keeping the space open, light and effortlessly sophisticated.

A calm, welcoming guest bedroom

In the guest bedroom, we installed a run of sleek wardrobes designed to blend effortlessly with the architecture, creating a calm and inviting space for visitors.

The result is a comfortable space with generous storage that doesn't overwhelm the room.
