Colour trends to look out for...

Earthy Greens

Nature-inspired tones remain a favourite for 2026, bringing calm and a sense of connection to the outdoors.

Perfect with wood accents and soft neutrals.

Warm Neutrals

Think taupe, stone and mushroom shades.

Subtle yet versatile, they create a cosy backdrop that works with any style.

Ocean Blues

Deep, refreshing blues add sophistication and serenity.

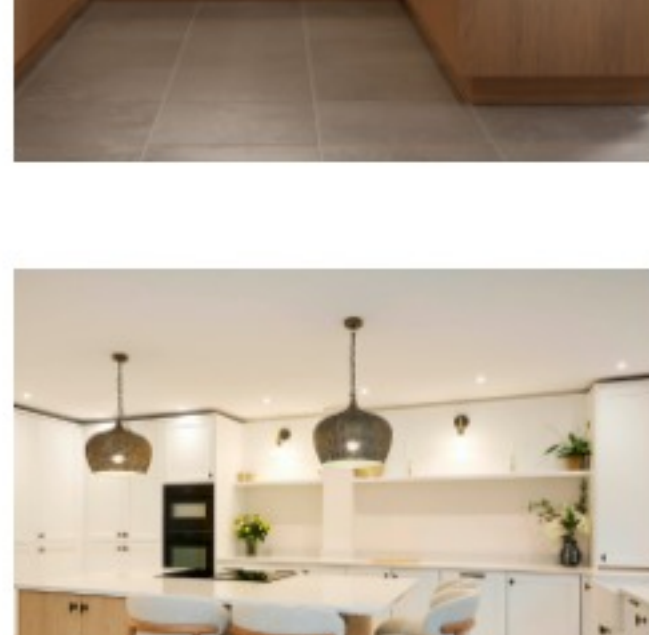

Ideal for statement islands or paired with veined worktops for a luxurious finish.

Muted Terracotta

Soft, sun-baked tones are making a comeback.

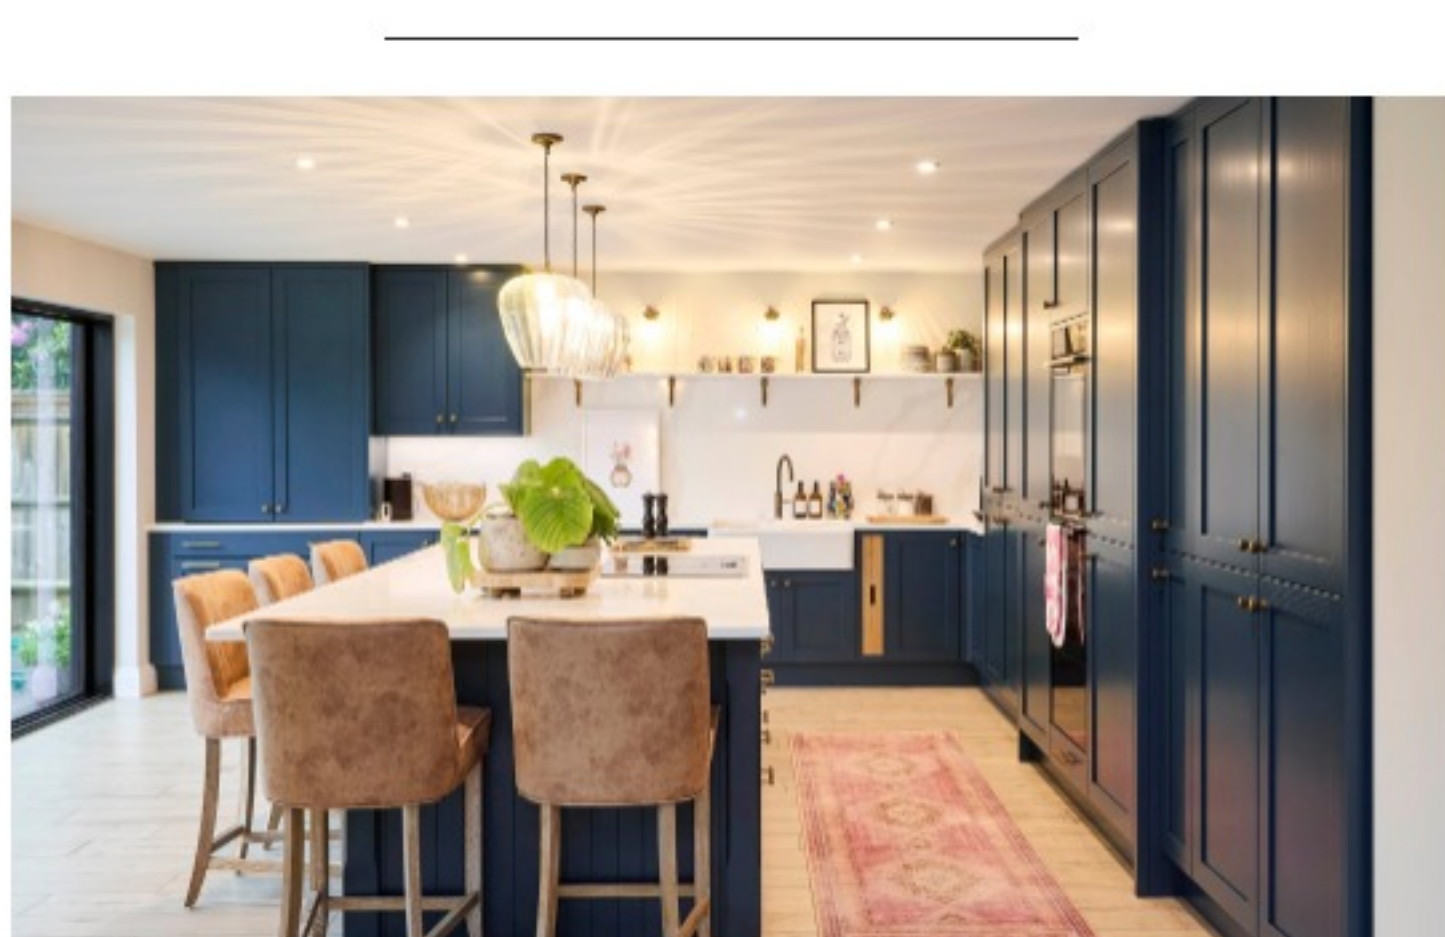

Perfect for adding warmth and character without overwhelming the space.

Crisp Whites

Classic and clean palettes that offer timeless elegance.

Whites keep kitchens bright and spacious while complementing bolder accents.
